Professional experience

UX Designer @ [Haiku](#)

2018 - 2020 • *Remote*

My job consisted of doing UX/UI Design, crafting UX Research studies, creating animations and illustrations, and performing UX reviews. At Haiku, we worked towards redefining how teams collaborate by building products that unify different disciplines: [Animator](#), [Diez](#), [Storybook for Teams](#) and most recently, [Haiku Crow](#).

UX Designer @ [The UX Department](#)

2013 - 2018 • *Remote*

I have participated and led projects for financial, healthcare, advertising, real estate, social media, retail, and non-profit companies/organizations, for the creation and redesign of marketing websites, e-commerce websites, and both web and mobile applications.

Case studies: [Globespinning](#), [Level](#), [Vibrant America](#) and [Boostly](#).

Formal education

- 2013 Licentiate degree in Graphic Design, Universidad del Norte Santo Tomás de Aquino. 4-year average 9,33/10.
- 2012 national academic merit award from Santander Rio bank.
- [2017 User Research and Design course, University of Minnesota/Coursera](#).

Technical skills

- **Strong:** UX Design, UI Design, UX Research.
- **Knowledgeable:** Illustration, Animation, Project Management, HTML/CSS, QA.
